### **Food in History by Reay Tannahill, Paperback | Barnes & Noble®**

"In the very earliest times nature was in charge and the problem of the food supply was good deal simpler than it is now - although perhaps it would be wiser to say 'must have been simpler', since there are as many theories about prehistory and the pattern of human evolution as there are theoreticians.

### **Food in history | Open Library**

Reay Tannahill is probably better known as an historical novelist but her Food in History is described as 'a serious overview of food as a catalyst of social and historical development.' Her account of what we have eaten over the centuries begins in the pre-historic period.
