These rules tell us what legal materials to read and how to read them. Like other parts of the law, what we call “the law of interpretation” has a claim to guide the actions of judges, officials, and private interpreters — even if it isn’t ideal.

The Law of Interpretation - Harvard Law Review

Reading law is the method by which persons in common law countries, particularly the United States, entered the legal profession before the advent of law schools. This usage specifically refers to a means of entering the profession. Reading the law consists of an extended internship or apprenticeship under the tutelage or mentoring of an experienced lawyer. A small number of U.S. jurisdictions still permit this practice today.

INTERPRETATION. The explication of a law, agreement, will, or other instrument, which appears obscure or ambiguous. 2. The object of interpretation is to find out or collect the intention of the maker of the instrument, either from his own words, or from other conjectures, or both.

Interpretation legal definition of Interpretation

Judicial interpretation refers to different ways that the judiciary uses to interpret the law, particularly constitutional documents and legislation. This is an important issue in some common law jurisdictions such as the United States , Australia and Canada , because the supreme courts of those nations can overturn laws made by their legislatures via a process called judicial review .
