### Recommendation Letter Civil Engineering Masters

A civil engineer recommendation letter can be written for an engineer who is applying for employment with a government public works department, a private construction company or university research program. The letter can be written by a professor or instructor who taught the applicant, an employer or a past client.

### Sample Civil Engineer Recommendation Letter

A letter of recommendation discusses your attributes, accomplishments, and describes your holistic personality. It is directly sent to the university or sometimes the university sends a link directly to the recommender's email through which they have to submit their LOR. On the other hand, a Reference Letter is usually used for professional purposes when you join a new company.

### Sample Letter of Recommendation (LOR) for Masters (MS) Courses

A Civil Engineer Recommendation Letter can come from any number of sources. It's not unusual for the candidate to write the letter themselves to be signed later by a respected party. Wherever it comes from, the letter has to be concise and straightforward, promoting what will make a candidate shine in the workplace.
