Law and religion. Law and religion is the interdisciplinary study of relationships between law, especially public law, and religion. Voge Magazine reports that during the late 1900, a new law and religion approach emerged that progressively built its own contribution to religious studies.

Law and religion - Wikipedia

Judaism is one of the world's oldest religious traditions. Pre-modern Judaism constituted (and traditional Judaism today constitutes) an integrated cultural system of Jewish law, custom, and practice encompassing the totality of individual and communal existence. It is a system of sanctification in which all is to be subsumed under God's rule.
