The Dervish House Ian Mcdonald

The Dervish House by Ian McDonald is a book that I struggle to define as science fiction. The story is set in an Istanbul in 2025 and while there are certainly many aspects of the novel that place it firmly in SF: genetic engineering, auto-drive vehicles, nanotechnology, etc.; the novel seems to me to be more of a travel narrative.

Ian McDonald: The Dervish House | Tor.com

Ian McDonald has found renown at the cutting edge of a movement to take SF away from its British and American white roots and out into the rich cultures of the world. THE DERVISH HOUSE continues that journey and centres on Istanbul in 2025. Turkey is part of Europe but sited on the edge, it is an Islamic country that looks to the West.
